

## SOUTHEASTERN HACKNEY ASSOCIATION-- Incentive Program

The SEHA will contribute funds that will award additional prize money to owners or exhibitors showing ponies at selected horse shows in member states.

One horse show in 6 member states will be selected. The member states that have the most members are Georgia, Tennessee, North Carolina, South Carolina, Virginia and West Virginia. Other states that are included in the SEHA region are Alabama, Florida, Mississippi and Louisiana.

The SEHA will contribute \$1050 to each horse show to award additional prize money to the top 3 ponies whose OWNER and EXHIBITOR are SEHA members. Amateurs and professionals are eligible to earn money. There is an annual fee to nominate the ponies to the program. It is \$50.

There will be \$150 awarded per championship class for Road Pony, Amateur Road Pony, Harness Pony, Hackney Pony, Jr. Exhibitor Road Pony, Road Pony Under Saddle and Pleasure Driving Pony. If the show does not offer a championship class in that division then the money will be awarded in the class that is held ( for example Junior Exhibitor Road Ponies may show in an Amateur/Juvenile Championship) and if that happens then they would not receive additional money in the Championship.

	3 eligible	2 eligible	1 eligible
Highest Placing Pony	75	100	150
Second Highest Placing Pony	45	50	
Third Highest Placing Pony	30		

The Owner of the pony AND the Exhibitor of the pony MUST be members of SEHA in good standing with their membership paid either before or on the date of the competition with the postmark of the membership being what determines the date of eligibility. The owner OR the trainer must be a resident of one of our member states. No one will be allowed to join after the competition and receive money. If the owner and exhibitor are the same person, only one membership fee is to be paid.

The SEHA members will vote on which shows will be adding the incentive money.

The recommended shows are:

Georgia: The Dixie Cup Horse Show

Tennessee: ETSA Midsummer Classic

North Carolina: UPHA Chapter 12 Horse Show

South Carolina: ASAC

Virginia: New River Valley Horse Show

West Virginia: Bluefield Shrine Horse Show

The treasurer of the SEHA will distribute prize money after the horse show. The Incentive Program Chairman and the Membership Chairman will verify eligibility and distribute winnings approximately four weeks after the show. The money will be paid to the owner of the pony.
